

About Class Lessons from March

Currently MCA does not have anyone who are doubted to be infected by the new coronavirus. But considering the safety of student and staff, MCA has decided to close school temporarily. Please read the schedule written below.

Period of temporal closure of school

Graduation Class : March 2nd (Mon) ~ March 7th(Sat)

Non-Graduation Class : March 2nd (Mon) ~ March 14th(Sat)

※Currently we are planning to start class lessons from March 16th(Mon), but it is highly likely to prolong the period of temporal closing school.

※School staffs are working at MCA during the period of temporal closure. If you need any help, you can come to school.

※MCA will continue to support for those whose next school or company has not been decided yet.

In any case, please call us before you come to school. Mon~Fri 10:00 ~ 17:00

1. During the period of temporal closure of school, please stay at your home and refrain from going outside. Please study Japanese on your own at home.
2. You are better not to do part-time job, either. But if you do, please keep the rule of 28 hours per week.
3. For those who already passed school but not submitted us the notice of passing and permission of admission, please submit it to us by March 6th. We will give you the certificate of completion only after you submit us the permission of admission.
4. For those who will graduate on March 7th, we will give you the following items on March 6th:certificate of completion, memorial good, perfect attendance award, scholarship for JLPT and EJU, refund of extracurriculum activities, and etc. Please visit MCA anytime you can (10:00 ~ 17:00). If you can't come to school on this day, please come to MCA later than March 9th. ★
5. Please be ready to receive information from MCA.★
6. Please do not go back to your home country temporarily. If you need to do so, please contact us beforehand.

★ As for the 4, 5, please fill in the designated form.

This information is as of now. We might change the schedule anytime. If so, we will let you know as soon as possible. Please check MCA's webpage for update information. <http://www.mcaschool.jp/>

Please protect yourself from infection by the following actions: washing hands, using anti-virus alcohol jell, refraining from going to crowded place. If you feel bad, please let us know.
